## **GIFTING TO ST VINCENT'S PRIVATE HOSPITAL SYDNEY**

St Vincent's Private Hospital Sydney was established by the Sisters of Charity to provide excellent and compassionate care for private fee-paying patients.

St Vincent's Private Hospital continues to be operated by the Sisters of Charity and is now one of the largest non-profit healthcare providers in Australia. The hospital has pioneered many aspects of healthcare including establishing the first Acute Intensive Care Unit in a private hospital, conducting the first live donor renal transplant in a private hospital, and acquiring the first da Vinci robot in NSW to provide leading-edge technology for minimally invasive surgery. It is also recognised world-wide for excellence in patient-centred care and standards of nursing. A recent generous bequest from the late Nan Kearins will fund a range of nurse education initiatives, providing future generations of patients with exceptional nursing care.

*A gift in your Will to the St Vincent's can be made to a specific hospital or clinical area. If you would like more information about a bequest to the Foundation, please contact Loretta Jagucanskas on 0407 280 733 or [ljag@stvincents.com.au](mailto:ljag@stvincents.com.au) for a confidential discussion.*
